My 2 cents:

Combine the Libby and Columbia Falls events into one trip. Keep Butte and ag tour for the same week.

We figured out the ag tour stuff by moving some of the Libby/Columbia falls stuff around because it was going to be a VERY long day.

I can make an adjustment for one of my tour stops which was going to be outside Kalispell and find something closer to Helena or Bozeman depending upon which city he will fly into too. The challenge was always the very long drive from Kalispell to Butte. If Kalispell is out then the driving becomes a lot more reasonable for this trip.

Diane,

Thank you for reaching out so we can plan the visit to Libby. COL Hudson is not in the office the week of June 18th, however is available June 5-8 and 13 - 14. If any of these dates work for your Director please let us know and we will place it on the calendar. If not we will have to push the visit into July when the COL's Calendar is a bit more open.

Respectfully,

Ryan D. Field, MSM-PM, PMP

Hi Ryan,

When Colonel Hudson visited EPA Region 8 last fall, there was a discussion about a joint visit out to Libby, Montana. I was asked to connect with you to see if we could come up with some potential dates when this could happen.

Regional Administrator, Doug Benevento, will be making a visit out there the first few days in the week of June 18, but he can make more than one visit out if he needs to.

Please provide me with some dates in May and June when Colonel Hudson might be available for this joint visit.

Thank you.
